Scheduled Payment 0.00	Promise Date dd/mm/yyyy	Reffer By Reffer By	Deposit To Select Account	Tenure (Months) 0.00

Buttons: Cancel, Submit, View Booking List

Lease Management

The system automates lease management by centralizing all crucial details, including *precise tenure, scheduled payments, security deposits, and rental amounts, ensuring accuracy and efficiency. Real-time inventory tracking of property assets within the lease agreements* minimizes discrepancies and streamlines asset management.

The screenshot displays the 'Lease Settings' page with the 'Add Lease' form. The interface includes a sidebar menu on the left and a top navigation bar. The sidebar menu contains the following items: Demo, Dashboard, Customer, Booking, Transaction, Lease, Accounts, Society, Properties, Unit, Society Fee, HR, and Maintenance. The top navigation bar includes links for Quick Links, Help & Training, Due, and Logout. The 'Add Lease' form contains the following fields:

Lease#	Entry Date	Receipt#	Customer	Phone#
1	28/03/2025	Receipt#	Choose Customer	0

Society	Property	Units	Unit Number
Choose Society	Choose Property	Choose Unit	0

Size Value	Rent Amount	Security Amount	Total	Received	Balance
0.00	0.00	0.00	0.00	0.00	0.00

Tenure (Months)	Scheduled Payment	Contract Start Date	Contract End Date	Scheduled Payment Date
0.00	0.00	dd/mm/yyyy	dd/mm/yyyy	dd/mm/yyyy

Month	Rent Amount

A green 'Submit' button is located at the bottom right of the form.

Transaction Modules

● Cash Receipts

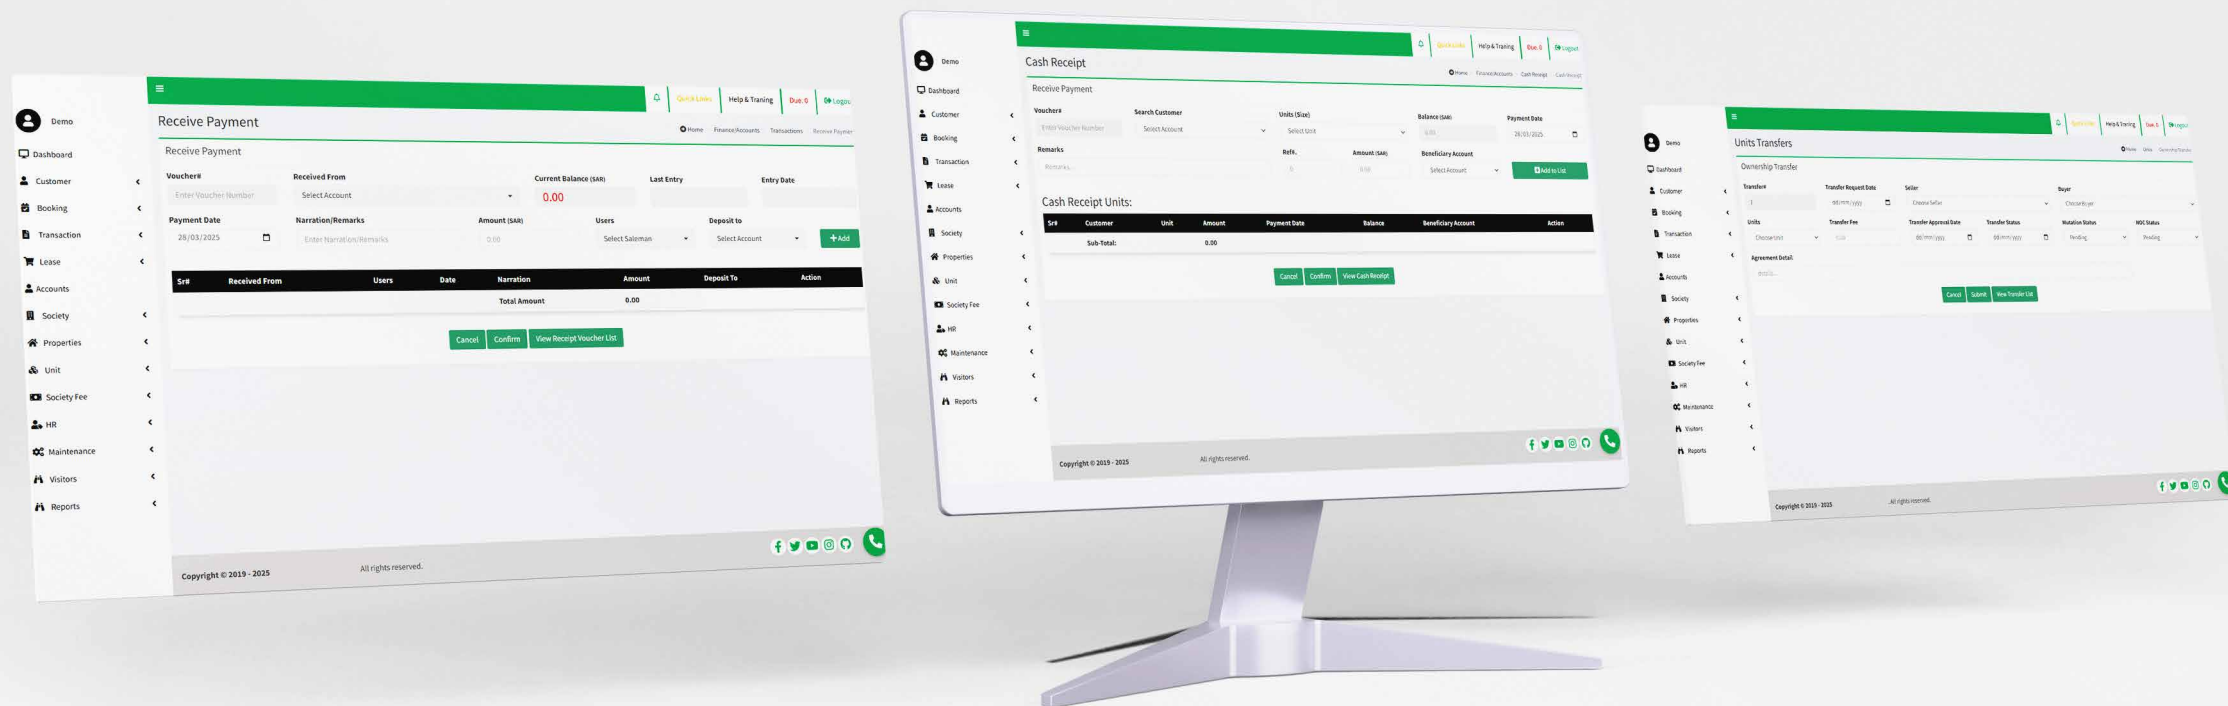

The system automates the recording and tracking of cash receipts, ensuring accurate financial records.

● Unit Transfers

The system facilitates the seamless relocation of units, providing a comprehensive audit trail for all inventory movements.

● Vouchers & More

The module accommodates a wide range of transaction types, including vouchers, streamlining financial operations and reporting.

Visitors, Staff & Leads Management

The system streamlines Visitors, Staff, and Leads Management by **automating data capture, scheduling, and communication, ensuring efficient tracking and organization**. It provides real-time insights and analytics, enabling improved coordination and informed decision-making across all three categories.

HR, Fee, Maintenance & Many other fully -customizable management features

The system streamlines Visitors, Staff, and Leads Management by *automating data capture, scheduling, and communication, ensuring efficient tracking and organization*. It provides

The image shows a software interface with a sidebar menu on the left and a main content area on the right. The sidebar menu includes the following items: Dashboard, Customer, Booking, Transaction, Lease (highlighted in green), Accounts, Society, Properties, Unit, Society Fee, HR, Maintenance, and Visitors. The main content area displays the 'Add Lease' form, which includes fields for Lease#, Society, Size Value, Tenure (Months), and Rent. The Lease# field contains the value '1'. The Society field has a dropdown menu with the text 'Choose Society'. The Size Value field contains '0.00'. The Tenure (Months) field contains '0.00'. The Rent field contains '0.00'.

Lease#	Entry
1	02/
